

WRC-8 and WRC-10 Carted Wheel Rakes

8 and 10 Wheel Carted Rakes from Unifarm offer you the quality and performance you can depend on!

* Optional Kicker Wheel

15" tires and heavy duty 7MM teeth give you the ability to operate at high ground speeds with maximum raking efficiency and ease. A robust double acting hydraulic cylinder with heavy duty double ram design is standard for ease of operations with most tractor hydraulic systems. Each wheel features tapered roller bearings for long trouble free operation. The thick walled square tube frame is built to last for years under the most demanding applications.

Standard Features:

- Heavy Duty Square Tube Frame
- New 205/70-15 Tires
- Heavy Walled Round Tube Rake Frames with Reinforcement Gussets at Key Points
- Cast Steel Hubs with Tapered Roller Bearings
- 7mm Thick Spring Steel Teeth
- Heavy Duty Individual Hydraulic Cylinders
- Powder Coat Paint Finish
