

Phoenix Model PWC-450 PTO Wood Chipper Quality at an Affordable Price!

The Phoenix Model PWC-450 PTO Wood Chipper's 4 knife design produces finer wood chips while assuring smoother operation. Ergonomic design of the input hopper makes for easy material feeding allowing gravity to do most of the work with very little operator input. A heavy 140LB computer balanced flywheel means maximum chipping capability and effective operation on tractors as low as 20HP. Additional features include an overrunning clutch for enhanced safety and reduced stress on your tractor and Quick Hitch compatible ASAE 3 Point Hitch.

Standard Features:

- 4 Reversible Heat Treated Knives
- Cat. I ASAE Quick Hitch for easy attachment
- Oversized 27.5" Wide, 24" High Input Hopper
- 5" x 5" Square 360 degree rotating discharge hopper
- Dual Belt Final Drive W/Automatic Spring Tensioner.
- One Bolt Flywheel Access
- Series 4 PTO W/Overrunning Clutch
- 4.5" Chipping Capacity
- 1.26 x 20" Flywheel @ 140LBS for ultra effective chipping performance.
- 4 Oversized flywheel discharge blades for effective chip evacuation
- Single handle adjustable discharge chute 360 degree rotation.

Model	PWC-450
Material Diameter	4.5"
Number of Blades	4
Horsepower Requirement	20 Min.
Hopper Dimensions:	Base 27.5 In.
	Height 28.7 In.
Feeding System	Manual
Disc Diameter	20 In.
